Developed management skills by organizing events and managing studies in parallel.

2012–2013 **Committee member**, of *University of Manchester Ultimate Programming Society*.

Gave a talk on google apps script and google app engine to a room of 50 persons.

## Interests

Computer programming

- I **love** to code! This is my favourite hobby. I am self-taught and I have an ever growing list of software ideas. I like web development and innovating algorithms.

Language	Experience	Competence
Python	3 years experience. Developed professionally with django for websites serving tens of thousands of users. Built blog engine, personal website and website for a game. Built my final year neural network project. Competent with: django, webapp2, numpy/scipy, pybrain, matplotlib, selenium, BeautifulSoup.	High
Javascript	3 years experience. Used professionally when maintaining front-end of websites and building a front-end automator. Built several HTML5 canvas games. Competent with: google apps script, chrome extensions, emberjs, nodejs, expressjs, coffeescript, jquery.	High
HTML/CSS	3 years experience. Used SASS. Familiar with many new CSS3 and HTML5 standards.	High
C	Personal meal organizer, sudoku solver, experimented with GTK.	Medium
Java	A few simple android apps. Currently enrolled in a course.	Medium
Go	Small amount of functional programming and experimented with a chat server, but would like to learn more.	Low

- Slacklining
- A high altitude modern form of tight rope walking which has developed my ability to be able to maintain composure under highly stressful situations.
  - At ground level, I use the slackline as a thin trampoline and have since been sponsored and competed at national level (currently 4th in the UK).

Cycling I enjoy the challenge of bicycle touring and have travelled thousands of miles through Europe by bicycle. I have also volunteered at a bicycle recycling project in Manchester.
